**ORIENTATION ON TEACHING READING TO ALTERNATIVE LEARNING SYSTEM
(ALS) LEARNERS**

To: Assistant Schools Division Superintendent
CID and SGOD Chiefs
Public Schools District Supervisors/DIC
District ALS Coordinators/Mobile Teachers
This Division

1. Republic Act 11510 stipulates the major goal of an alternative learning system (ALS) which is to provide opportunities for ALS learners to obtain academic credit, career exploration activities, vocational work experience, and extended teacher/peer support in an alternative setting. However, ALS teachers find it hard to give the expected learning due to restrictions brought about by the pandemic. This resulted to a number of learners who have reading difficulties.
2. To address the need, there will be an **Orientation on Teaching Reading to ALS Learners on December 3, 2021**, to be attended by all ALS implementers. All participants are expected to be at the venue (to be announced later) before 8:00 in the morning.
3. The activity aims to capacitate ALS implementers to:
 - a. Gain understanding on the following topics:
 - Beginning Reading
 - Arts of Questioning
 - b. Prepare a plan on reading activities to be conducted
4. Expenses incurred in this convergence shall be charged to ALS Program Support Fund 2021 subject to the usual accounting and auditing rules and regulation.
5. Immediate dissemination of this memorandum is desired.
