Regional Office IX

Warmest greetings!

The Civil Service Commission Regional Office IX joins the Commission in its efforts to promote and upskill human resource management officers and other public sector professionals. Hence, it continues to foster a culture of change and continuous improvement among government employees through different learning initiatives.

Just like any other profession, government employees must continuously update their knowledge and skills in order to effectively execute their duties and responsibilities. This includes staying up-to-date with the latest changes in employment-related laws, understanding and complying with the latest CSC (Civil Service Commission) rules and policies, and finding ways to acquire knowledge concerning the latest developments in addressing legal issues within the workplace. Thus, this coming June, we will have a training program anchored towards enhancing the knowledge of stakeholders on CSC laws and rules with our program entitled "*Enhancing Legal Expertise and Value to Achieve Technical Excellence (ELEVATE)*".

In view thereof, we are inviting Human Resource Management Officers (HRMOs), legal practitioners, and other stakeholders to be part of this endeavor to strengthen their legal knowledge through the lens of human resource management. The training will be a two-day program on **27-28 June 2023** at the Grand Astoria Hotel, Zamboanga City.

Nominated participants may register directly through this link <https://bit.ly/cscInd2023>, not later than 16 June 2023. A minimal investment fee of Three Thousand Five Hundred Pesos (₱3,500.00) shall be charged for each participant.
