1. In line with DepEd Order No. 44, s. 2015, which outlines the guidelines for the *Enhanced School Improvement Planning Process and the School Report Card*, as well as DepEd Order 024, s. 2022, regarding the *Adoption of the Basic Education Development Plan 2030*, the Division Planning Committee (DPC) shall conduct a **Strategic Planning Workshop focused on crafting the School Improvement Plan (SIP) for the upcoming cycle of 2025-2027.**

The Governance of Basic Education Act of 2001 (RA 9155) empowers school heads to develop a School Improvement Plan that drives progress and addresses the unique needs of their school communities. Recognizing the need for technical assistance to be provided to the school heads in developing strategic plans, the DPC conducts the workshop in three batches:

Batch 1: October 22-24, 2024
Batch 2: October 29-31, 2024
Batch 3: November 6-8, 2024

3. Enclosure A of this memorandum shows a list of participants organized by batch. The venue will be announced as soon as the bidding process has been completed.

4. Below is the outline of the objectives of the said workshop:

Terminal Objective:

Orient all District Heads, School Heads, and Administrative Officers on the process of SIP formulation.

Enabling Objectives:

- a. Explain the Strategic Planning Process
