Dear Superintendent Batan,

The month of March is declared as Women’s Month by virtue of RA 6949 enacted in 1990. It recognizes the role of Women in nation building and promotes gender equality

In celebration of this, the Provincial Government will initiate a community outreach program aimed at supporting solo parents by providing school bags filled with some school supplies to pupils in Grade 1 to 3. We believe this effort will help ease the burden of solo parents and keep young learners motivated in school.

In this regard, we would like to respectfully request your office’s collaboration and endorsement for the smooth implementation of this project within your division. Specifically, we seek your assistance in identifying qualified beneficiaries and facilitating coordination with schools province-wide

The tentative distribution of bags is scheduled for the second week of March 2026. However, we are open to discussing further details and look forward to working with your office for the benefit of our learners.

For queries, contact Ms. Charis Perez at cellphone number 0906 182 9161.

Thank you for your continued support.

Respectfully yours,
