 This Division

1. This Office through the *Curriculum Implementation Division (CID)*, announces the conduct of the **Second Batch of the Computer-Based Assessment** for schools that are qualified to offer **Special Science Curricular Programs, specifically the Special Science Elementary School (SSES), Science, Technology, and Engineering (STE), and Science, Technology, Engineering, and Mathematics (STEM)** for **School Year 2026-2027**.
2. This activity is specifically intended only for schools that were unable to participate during the first batch of computer-based assessment administration.
3. The said activity is scheduled to take place on **May 11, 2026**. School Heads of the participating schools are directed to ensure that their computer laboratories, gadgets and list of takers with LRN are prepared and that the necessary technical specifications are met to facilitate a seamless examination process for the incoming Grade 1, Grade 7, and Grade 11 learners.
4. In line with the qualification standards set by DepEd Central Office of program offerings, schools that are not qualified to offer the STEM Cluster for the Strengthened Senior High School are hereby advised to offer the STE program in the Junior High School instead. For comprehensive details regarding the specific testing protocols, technical requirements, and qualification criteria, all concerned are referred to **Division Memo No. 156, series of 2026**, titled "**Administration of Computer-Based Admission Test for Special Science Curricular Program (SCP) for Incoming Grade 1 (SSES) and 7 (STE) Learners and Science, Technology, Engineering, and Mathematics (STEM) for the Incoming Grade 11 Learners for School Year 2026-2027**".
